CURBSIDE COLLECTION

CONTAINERS

Containers used for single-stream collection in the MCIA's program include:

- A rectangular blue container with lid
- A round blue container

Write your name and address on the containers. Place your recyclables in the containers and put the containers out on the curb before 6 a.m. on your collection day.

Collection times are **subject to change**, and **all materials must be ready for pick-up by 6 a.m.**

Replacement Containers: If your containers are lost, stolen or broken, replacement containers can be purchased from your municipal recycling coordinator. The phone number is listed in the municipal section of this brochure. We sell these containers to your municipality at the same price we pay the manufacturer.

New Homeowners: Contact your municipal recycling coordinator within three months of moving in to obtain free containers. Contact numbers can be found in the municipal section of this brochure.

THE NEW REUSE-IT BOOK

The New Reuse-It Book is a guide to area locations where Middlesex County residents can freecycle or donate their unwanted goods for reuse. If interested in a free printed copy or possible inclusion in the next edition, contact MCIA Public Information Officer, Maria Prato, by emailing mp@mciauth.com.

E-CYCLING

By law, most consumer electronics, including personal computers (desktops and laptops), monitors and televisions are not allowed in the trash. Check with your municipality's Department of Public Works to inquire if they maintain a recycling drop-off and if these items are acceptable. For additional drop-off locations, please contact the New Jersey Department of Environmental Protection at (866) 337-5669 or the Middlesex County Division of Solid Waste Management at (732) 745-4170.

CUSTOMER SERVICE REQUESTS

- It's your municipality's day and/or week
- Your recycling was put out by the curb no later than 6 a.m.
- Your entire street's recycling has been affected
- A container no larger than 32 gallon has been used
- Any unapproved items are mixed within your recycling
- Your recycling was placed in plastic bags, which are not permitted

CUT IT AND LEAVE IT

"GRASSCYCLE" FOR A HEALTHIER LAWN: Leave short grass clippings on the lawn rather than bagging them and dragging them to the curb.

SAVES YOU TIME, MONEY & YOUR TOWN'S MONEY! Experts say 35 percent of our lawn-care time is spent getting rid of clippings. Grasscycled lawns need less water and fertilizer, and you don't have to buy lawn waste bags. Your town also saves the disposal cost of your lawn clippings.

GRASSCYCLING WORKS BECAUSE:

- Short clippings act as a natural fertilizer, shelter tender grass roots from the sun and conserve moisture. The result is a healthier greener lawn.
- Grasscycled lawns are more resistant to weeds and certain lawn diseases.
- Grasscycling does not cause thatch. Short clippings decompose in a few days. Thatch – dead grass roots and stems – is the result of overwatering, overfertilizing and cutting your lawn too short.

Call (800) 488-6242 (MCIA) for a brochure. For information on grasscycling, call Rutgers Cooperative Extension at (732) 398-5220 or visit www.rce.rutgers.edu.

FREQUENTLY ASKED QUESTIONS

WHAT IF MY COLLECTION DAY FALLS ON A HOLIDAY?

If your collection day falls on any of these holidays - New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving or Christmas - collection is rescheduled for the following Saturday. Check your municipal collection schedule in this brochure for specific dates.

Recycling collection is *not affected* by municipal public works holidays such as Martin Luther King Jr. Day, Lincoln's Birthday, Presidents' Day, Good Friday, Columbus Day, Election Day or Veterans Day. Recycling collections will take place on those days.

WHAT DO THE STICKERS ON MY RECYCLABLE ITEMS MEAN?

These are rejection stickers. The most common reasons for rejection are:

- Trash mixed in with recyclables
- Containers larger than 32 gallons
- Recyclables in plastic bags
- Cardboard not properly prepared

Only recyclables that are properly prepared will be collected.

WHAT IF MY RECYCLABLES WERE NOT COLLECTED?

Your recyclables should be placed curbside the night before your scheduled pick-up or by 6 a.m. on the day of the pick-up. Collection times are subject to change, and all material must be ready for pick-up by 6 a.m.

If your recyclables were out at the curb on time and were not collected, leave the recycling at the curb and contact us within 24 hours. If you delay contacting us, your recyclables may not be picked up until your next collection date.

Keep in mind to check our website at www.mciauth.com, under the Recycling Division's [Customer Notification page](http://www.mciauth.com), for updates, instructions or information on service interruptions.
